Email

FOLLOW these rules or your email will be rejected!

vzstless [at] gmail [dot] com: Primary mailbox, any personal related email could be sent to this address.

i [at] vzstless [dot] moe: Secondary mailbox, mainly used for developing and commit related things. Also this is my address for github pull request.

Warning: vzstless [at] qq [dot] com is deprecated as qq mail has a lame filter for spams!

Warning: vzstless [at] aosc [dot] io is deprecated due to I’m less active in Anthon Open Source Community!

Warning: kai [dot] zhang [at] intel [dot] com is deprecated as I am no longer an Intel intern!

If you really need to contact me through my college or company email address, throw private message through social media.
